

## **12th Aust Winner For Freshman Johannesburg**

Freshman sire & Coolmore shuttler Johannesburg (Hennessy-Myth, by Ogygian) notched his 12th individual juvenile winner (& moved into the lead on the Australian 1st Season Sires table by individual winners) when 2YO gelding Toughened (Johannesburg-Mont Tremblant, by St Jovite) scored over 1200m at Gosford in NSW yesterday for trainer Paul Perry. Toughened (a half-brother to Gr2-winner Biscayne Bay) was a NZ\$180,000 yearling consigned by Ascot Farm at the 2006 [NZ Bloodstock](#) Premier Sale. With 5 days of the season remaining, Johannesburg now leads the 1st Season individual winners list by 1 victory from Glenlogan Park-based [Falvelon](#) & fellow Coolmore shuttler Rock Of Gibraltar (both with 11 winners).
