

Bianconi On A Winning Streak

Swettenham Stud shuttler Bianconi (Danzig-Fall Aspen, by Pretense) followed the weekend's US stakes victory (her 4th) by 5YO daughter Redaspen (Bianconi-Goldie Pops, by Strike The Gold) in the Listed Mrs Penny Stakes (8.5 furlongs on turf) at Philadelphia Park (taking her overall record to 8 wins & 12 placings from 22 starts for US\$333,313) & one of his colts attracting the top weanling price of \$47,000 at the [Magic Millions](#) Perth Mixed Thoroughbred Sale at Belmont, with Australian winners on both Sunday & Monday. On Sunday, 3YO gelding Streetfighter (Bianconi-Super Rhythm, by Voodoo Rhythm) blitzed his rivals by 8-lengths over 1422m at Sale. And on Monday 3YO colt Elf (Bianconi-Matadora, by Rory's Jester) scored over 2100m at Geelong. Swettenham Stud's Adam Sangster summed up: "Already having proved himself as a Gr1-winning sire, Bianconi still has the best to come. Bianconi's earnings for the season just finished are over \$1.25 million & he still has only had 149 career runners in the Southern Hemisphere. Importantly, he has the big foal crops about to surface. I'm very much looking forward to the next few seasons. Bianconi is standing this spring at Swettenham at \$9,900.
